1. Were the Objectives of the Session largely Achieved ?

 Copy

80 responses

 Yes

 No

 Not Sure

2. Do You find Session Useful for Your Professional Activities ?

 Copy

80 responses

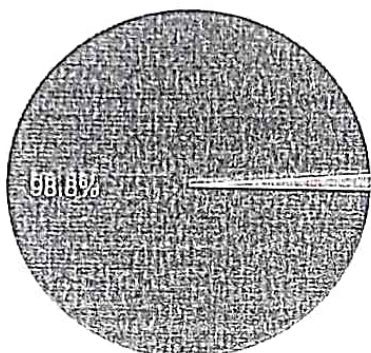

- Yes
- No
- Not Sure

3. Were the Faculty Resourceful / helpful?

 Copy

80 responses

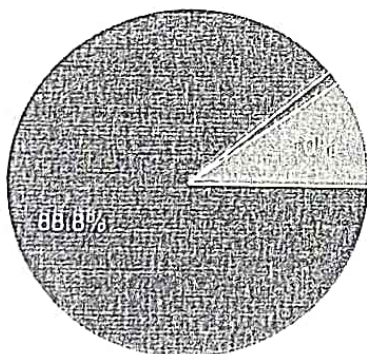

- Yes
- No
- Not Sure

4. Do you Think you will be able to implement what you have learnt during the Session ?

 Copy

80 responses

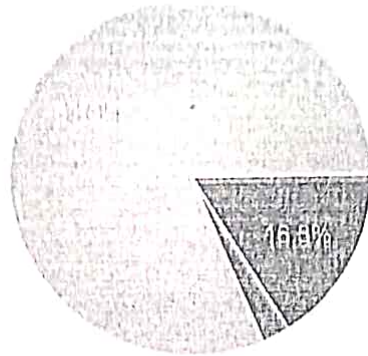

- Yes
- No
- Not Sure

5. Did the Session have a balance of theory and Practical?

 Copy

80 responses

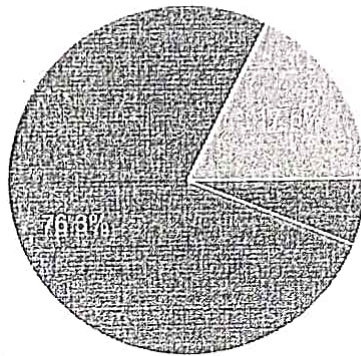

-  Too Much of Practice
-  Too Much of Theory
-  Optimum Theory & Practice

6. Was the time Management Satisfactory ?

 Copy

80 responses

-  Program Was too light
-  Program Was Optimum
-  Program was too relaxed

7. What was BEST in this Session for you?

69 responses

Practical knowledge

Interactions

Explanation was quite good

Practical applications

His practical knowledge

Whole session

All Session is good

Yes

Everything was good, every minute feels worthy, would love to hear more!

Interaction between students and lecturer

Everything

Clinical application was told

Clinical aspect

Treatment as per dravyaguna perspective

Covid topic

jwar treatment

Practice Examples

Guests experienced shared things

Important Of ayurveda medicine in jwar

Teaching

COVID

Practical

His application of textual knowledge

Clinical information

Importance of ayurved medicine in jwar

Clinical applications

Knowing practical medicines n some emergency medicines

Helps to study dravyaguna in new look

How beneficial dravyaguna is in jwar treatment

To treat disease according to dravy

Good clinical learning

Communication of teacher and student

Basic concepts.

For me information about the application of different dravyas was very useful.

Explanation of jwara treatment

Jwar treatment

Knowledgeable

Mantri sir nature and way of explaining things

His teaching

Treatment for jawar

Treatment of jwar

All sessions

Clinical applications

Treatment

Ayurvedic point of covid 19

Treatment on jwar with proof

His point of view about ayurveda

Experience of Speaker

His explanation regarding the Jvara with respect to other disease as well.

Application of dravyaguna

Treatment of corona is best given by sir in his opd

Correlation of modern and ayurveda

Kalpas that sir used is beneficial

Clinical data

In our ayurveda , COVID 19 symptoms and chikitsa has mentioned

Maybe

Inspiration and experience of sir

The best in session was the communication and interaction with students

Knowing about different medicine

To know agnimandya is main cause all diseases

Whole lecture

Mantri sir is speaking very good

Give information for Practice knowledge .

Practical Information

Knowledge about clinical aspects and bringing COVID 19 as an important point

8. How it could be made BETTER?

80 responses

Nothing

It was the best

It was best

No

It was better

Ppt presentation

Already justified

I think it's best

It is already better .

Conducting the session in morning would have been better but it was good the way it was

-

No

Already better

Program must be conducted on time

No betterment needed

no

Nothing

Honest Information

Regular lecture of guests

Was good

Program start some time ago

Morning timing lecture

Everything is good about session

Teaching

Increases practical lecture

By practical

Everything is good about this session

Time management

Program Must be conducted on proper time to interact more

Everything will be good

Everything thing about this session was goodod

Large topic discussion

With more concepts

Giving information about Other types of drugs also include in jawarghna chikitsa and many more

Important information provided

It is very useful in practice.

It would be better if more dravyas mentioned in the session

Helpful in practice

Walking of sir in bench line

Schedule at proper time

Ayurveda can treat any disease

It is already better

Schedule at proper time

The session was already better

Already session is better

Already better

Inclusion of proper doses

No any idea

By more visual information

Everything good for practice and more clinical cases are explained

Give practice knowledge

It's already good

Schedule for minimum 2 hour

Should be proper voice and Conference hall

It was good.

Everything is good

It was good and can't be made better

More practicals

Matra of kalpas and anupan of kalpas broadly told

To providing clinical lecture with case discussion

Best

It is already better

It should have covered more information about COVID

the session was good . So i don't think so

Everything is Good

No idea

....

Mantri sir is communicate with studants

Give the more patients example.

Session was good

Faculty resource

9. If You were to organize this Session , what DIFFERENTLY would you do?

80 responses

Nothing

Nothing different

No

Some more practical implementation

Nothing

Interactions should be good

Details about dravyas used

Nothing to do

Everything was perfect

Same as they arranged

Session was perfect .

Conducting it in mlring session

-

Some other examples

I would keep various activities

Stage daring,Lack of information about disease

yes

Duration of time would be more as it was interesting

Time management

Same

Add some points about jwar in detail

More clinical cases explain

Nothing, It is good Session

None

Clinical experience

More clinical cases should have been explained

I will bring live medicines to visualise to the students

Session is best but that type of sessions must be arrange in every month

I think more more clinical cases should have been explained

Yes

Best voice should be there

Session is good there is no need of changes

Presentation.

Was an ideal one not too many changes.

As same

Slide presentation

No change needed

Add more clinical knowledge

With ppt presentation and with pictures so that mind can easily capture the information

With ppt presentation

Increase the practice lecture

I will add more practical knowledge to inspire students

No any thing

No problem

More clinical cases are explained which is very imp

Give students practical as well as theoretical knowledge

Seeting arrangement

For falicitation I would have made same different arrangements

I will try..

Garden wisits

More cases should be discussed

Nothing much different

Session frequency time will increase

I will fanicate students by giving miraculous result of ayurveda so they could gain confidence to practice ayurveda in future

I would have made a ppt which contains more content

...

Slide share for recall some things in session

Same as like this

....

Not any

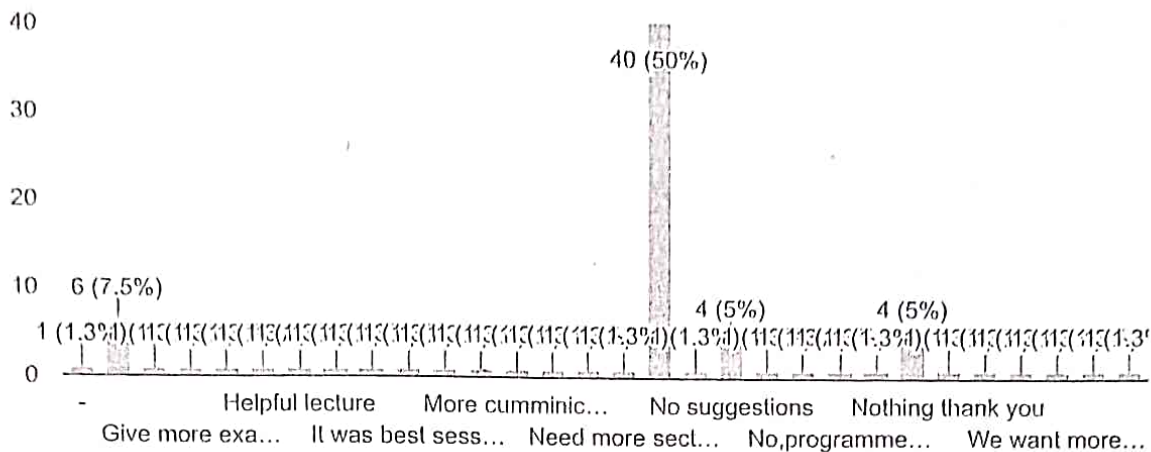

No need to change session was good

Time extend

10. Any Suggestion
